

**You are invited to join us at the Sir Winston Churchill Park in Lac La Biche
on Saturday, May 28, 2022 for our
Annual Road to Hope's - Run for Hope 6K Fun Run!**

Each year Road to Hope has hosted a Run for Hope - 6K Fun Run. This year it will take place on May 28, 2022 at the Sir Winston Churchill Provincial Park in Lac La Biche Alberta. We are a non-profit organization that provides no-charge transportation for the Cancer patients residing within the Counties of Lac La Biche and Athabasca. Our drivers volunteer their time and personal vehicles to transport our clients to and from their appointments. We reimburse them at a rate set out by the CRA which results in an average trip cost of \$250.00.

Attached you will find our registration form along with a copy of this year's pledge sheet. Please send your completed registration form back to me at coordinator@roadtohope.ca or by mail to: Road to Hope Community Support Foundation; PO Box 182 Athabasca, AB T9S 2A3.

Registration payments can be made via e-transfer to treasurer@roadtohope.ca, or may be mailed in with your registration form. All pledges are to be handed in by the morning of the Run to be eligible to win one of our prizes! There will be a prize for each adult and youth who raise the most pledges!

If you are unable to partake in the run this year but still want to make a difference, I have also attached information on all of our sponsorship packages. Sponsors will be recognized in various media and printed materials therefore please fill out the company, or individual, name exactly as you would like to see it in print. If you have a logo, I ask that you email it to me as well please.

Our fundraising goal for this year's event is set at \$20,000. We are asking businesses and individuals alike to partner with us by donating any amount or by choosing a tiered sponsorship package listed below. We have tiered packages available, or you may help by donating an amount to go towards the items for swag bags we will hand out to all of our participants. Your partnership will help keep this vital support service going strong.
